Welcome to the Xrathus Community Platform.

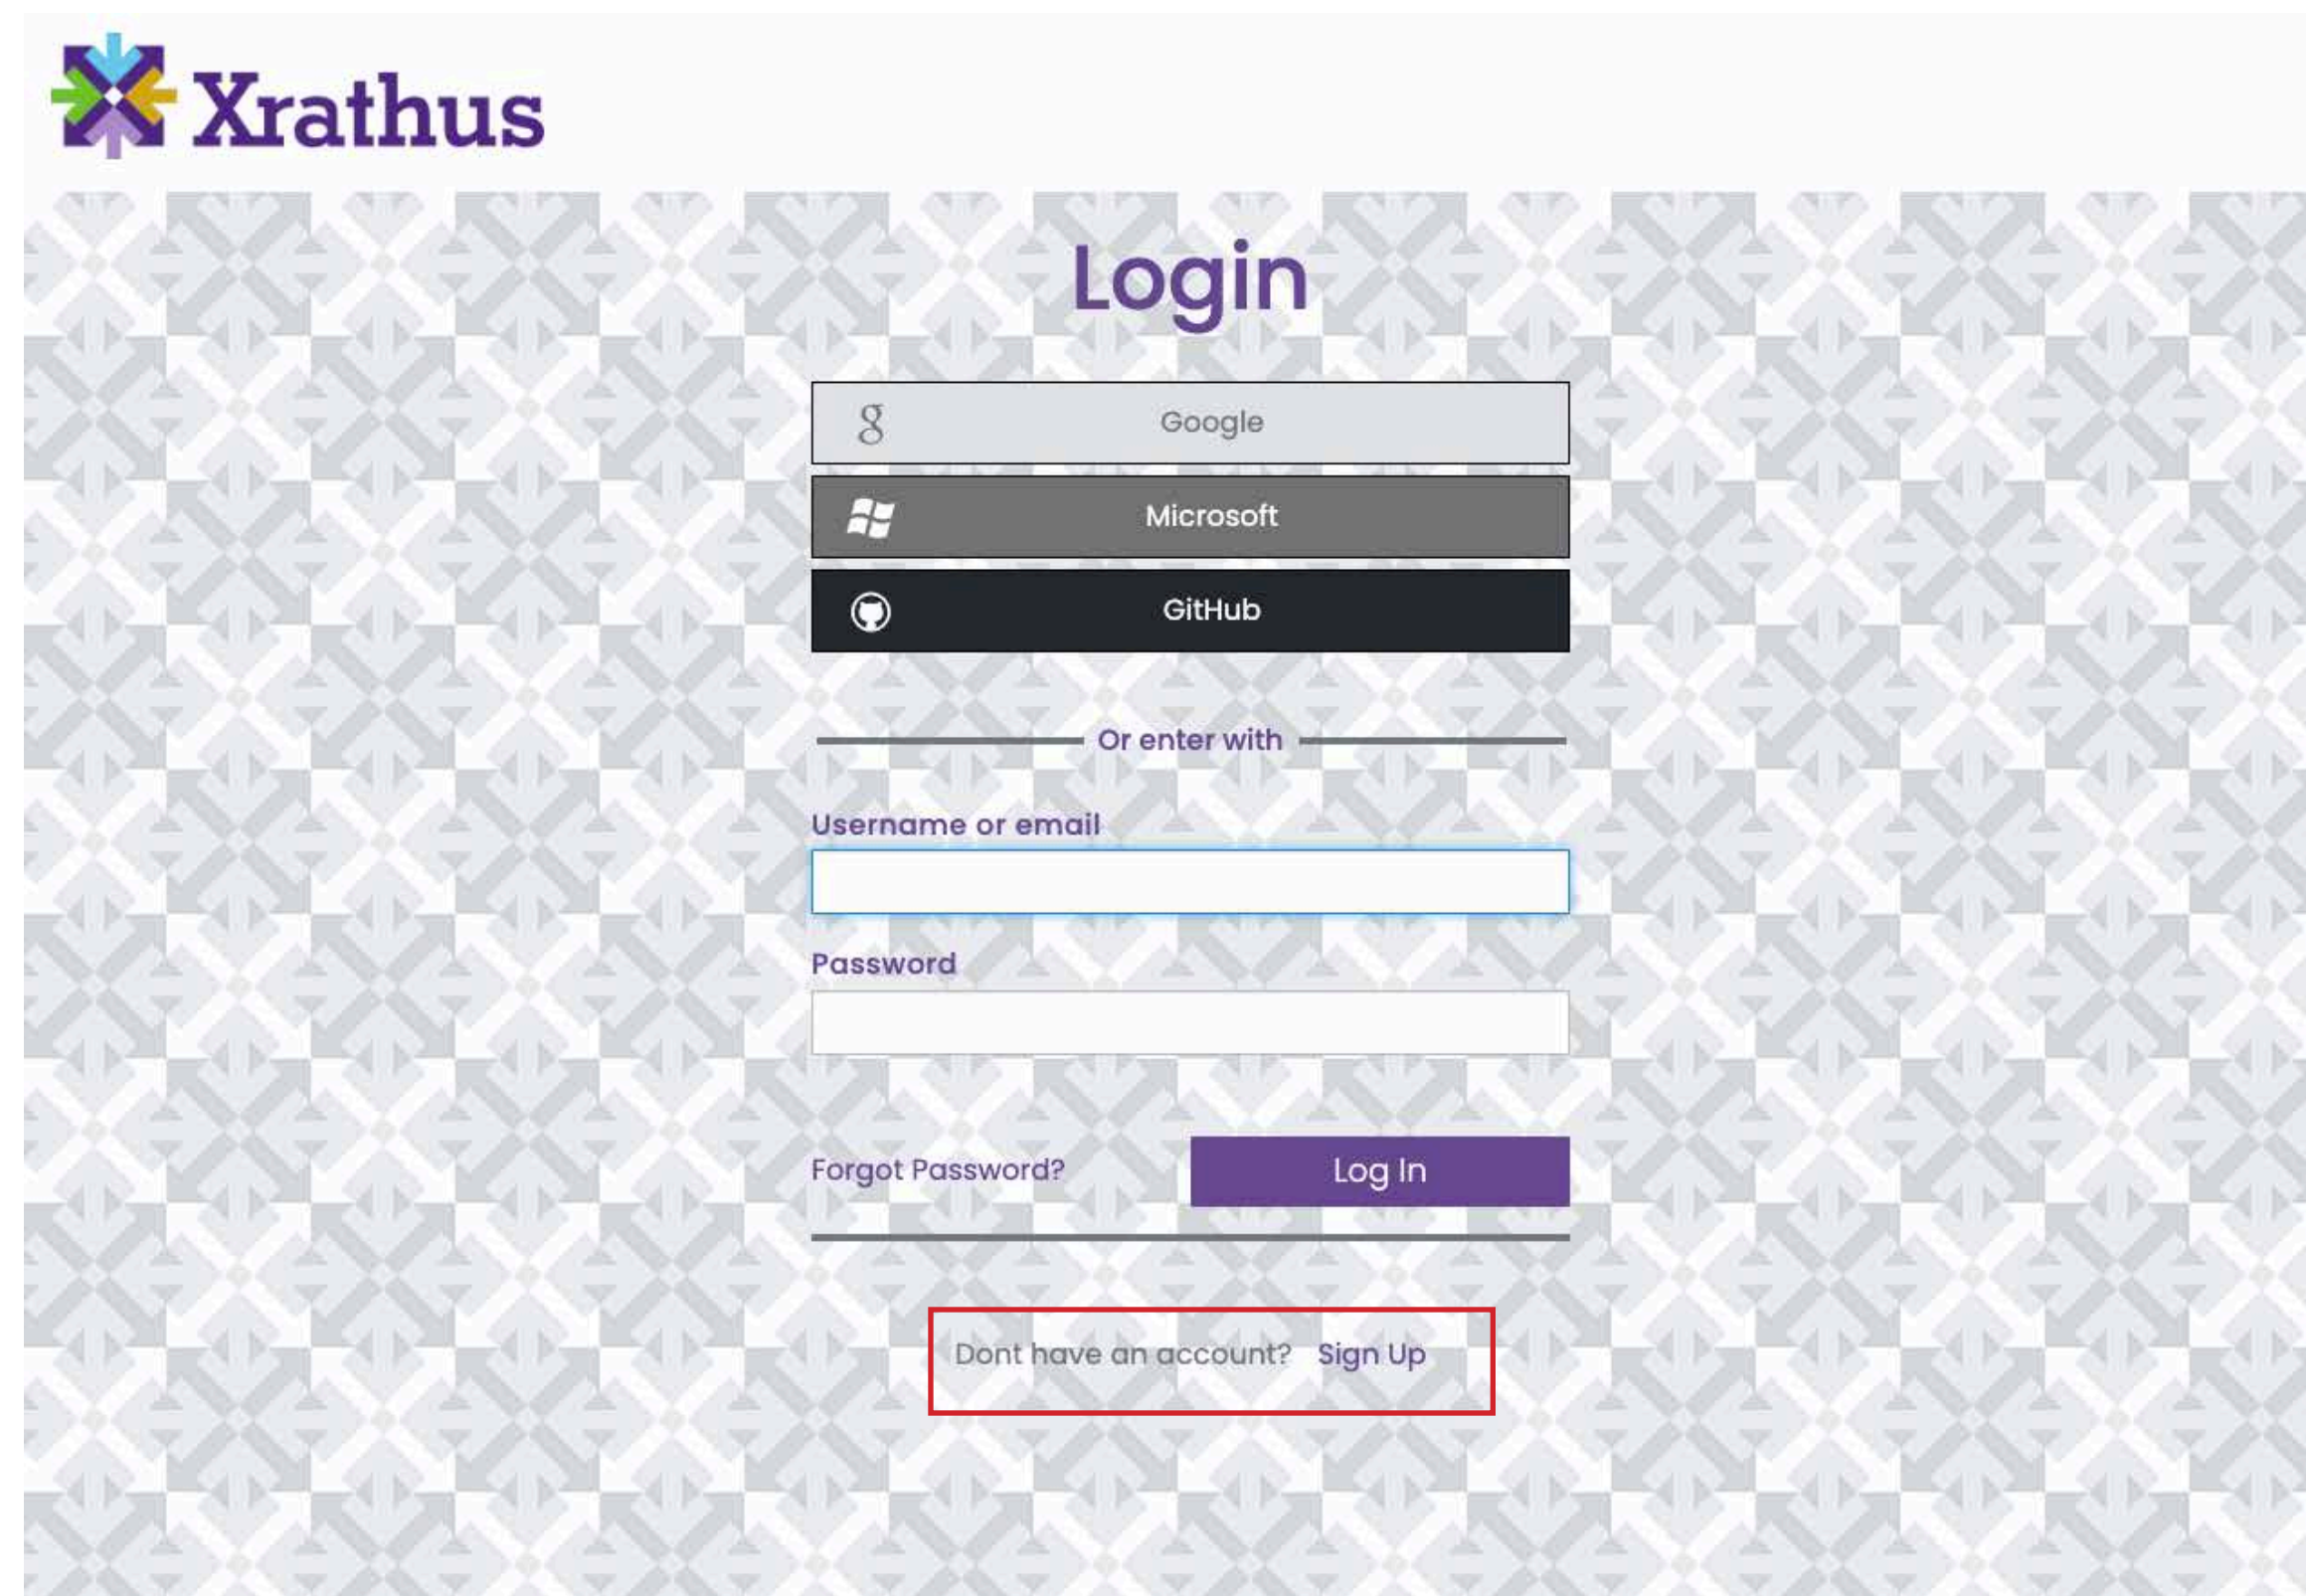

Our community-enriched platform enables you to transform your research and technology advancement process from ideas to solutions. Deliver integrated workflows and empower efficiencies in a digital community through both individual and collaborative environments.

Sign up

From the Xrathus homepage, click on **USER SIGN IN**.

Sign up (cont.)

The image shows the Xrathus login page. At the top left is the Xrathus logo. The main heading is "Login". Below this are three social login buttons: Google, Microsoft, and GitHub. A separator line with "Or enter with" follows. There are two input fields: "Username or email" and "Password". Below these is a "Forgot Password?" link and a purple "Log In" button. At the bottom, a red box highlights the text "Dont have an account? Sign Up", where "Sign Up" is a link.

Select **Sign Up** to create your Xrathus account.

Create your account

The screenshot shows the Xrathus account creation interface. At the top left is the Xrathus logo. The main heading is "Participate in the Xrathus community" with the sub-heading "Sign up for your account today!". The form includes input fields for "First name", "Last name", "Email", "Username", "Password", and "Confirm password". A "« Back to Login" link is positioned below the password fields. A purple button labeled "Create My Account!" is at the bottom. A disclaimer states, "By Creating a Xrathus account, you Agree to the Xrathus Terms of Use."

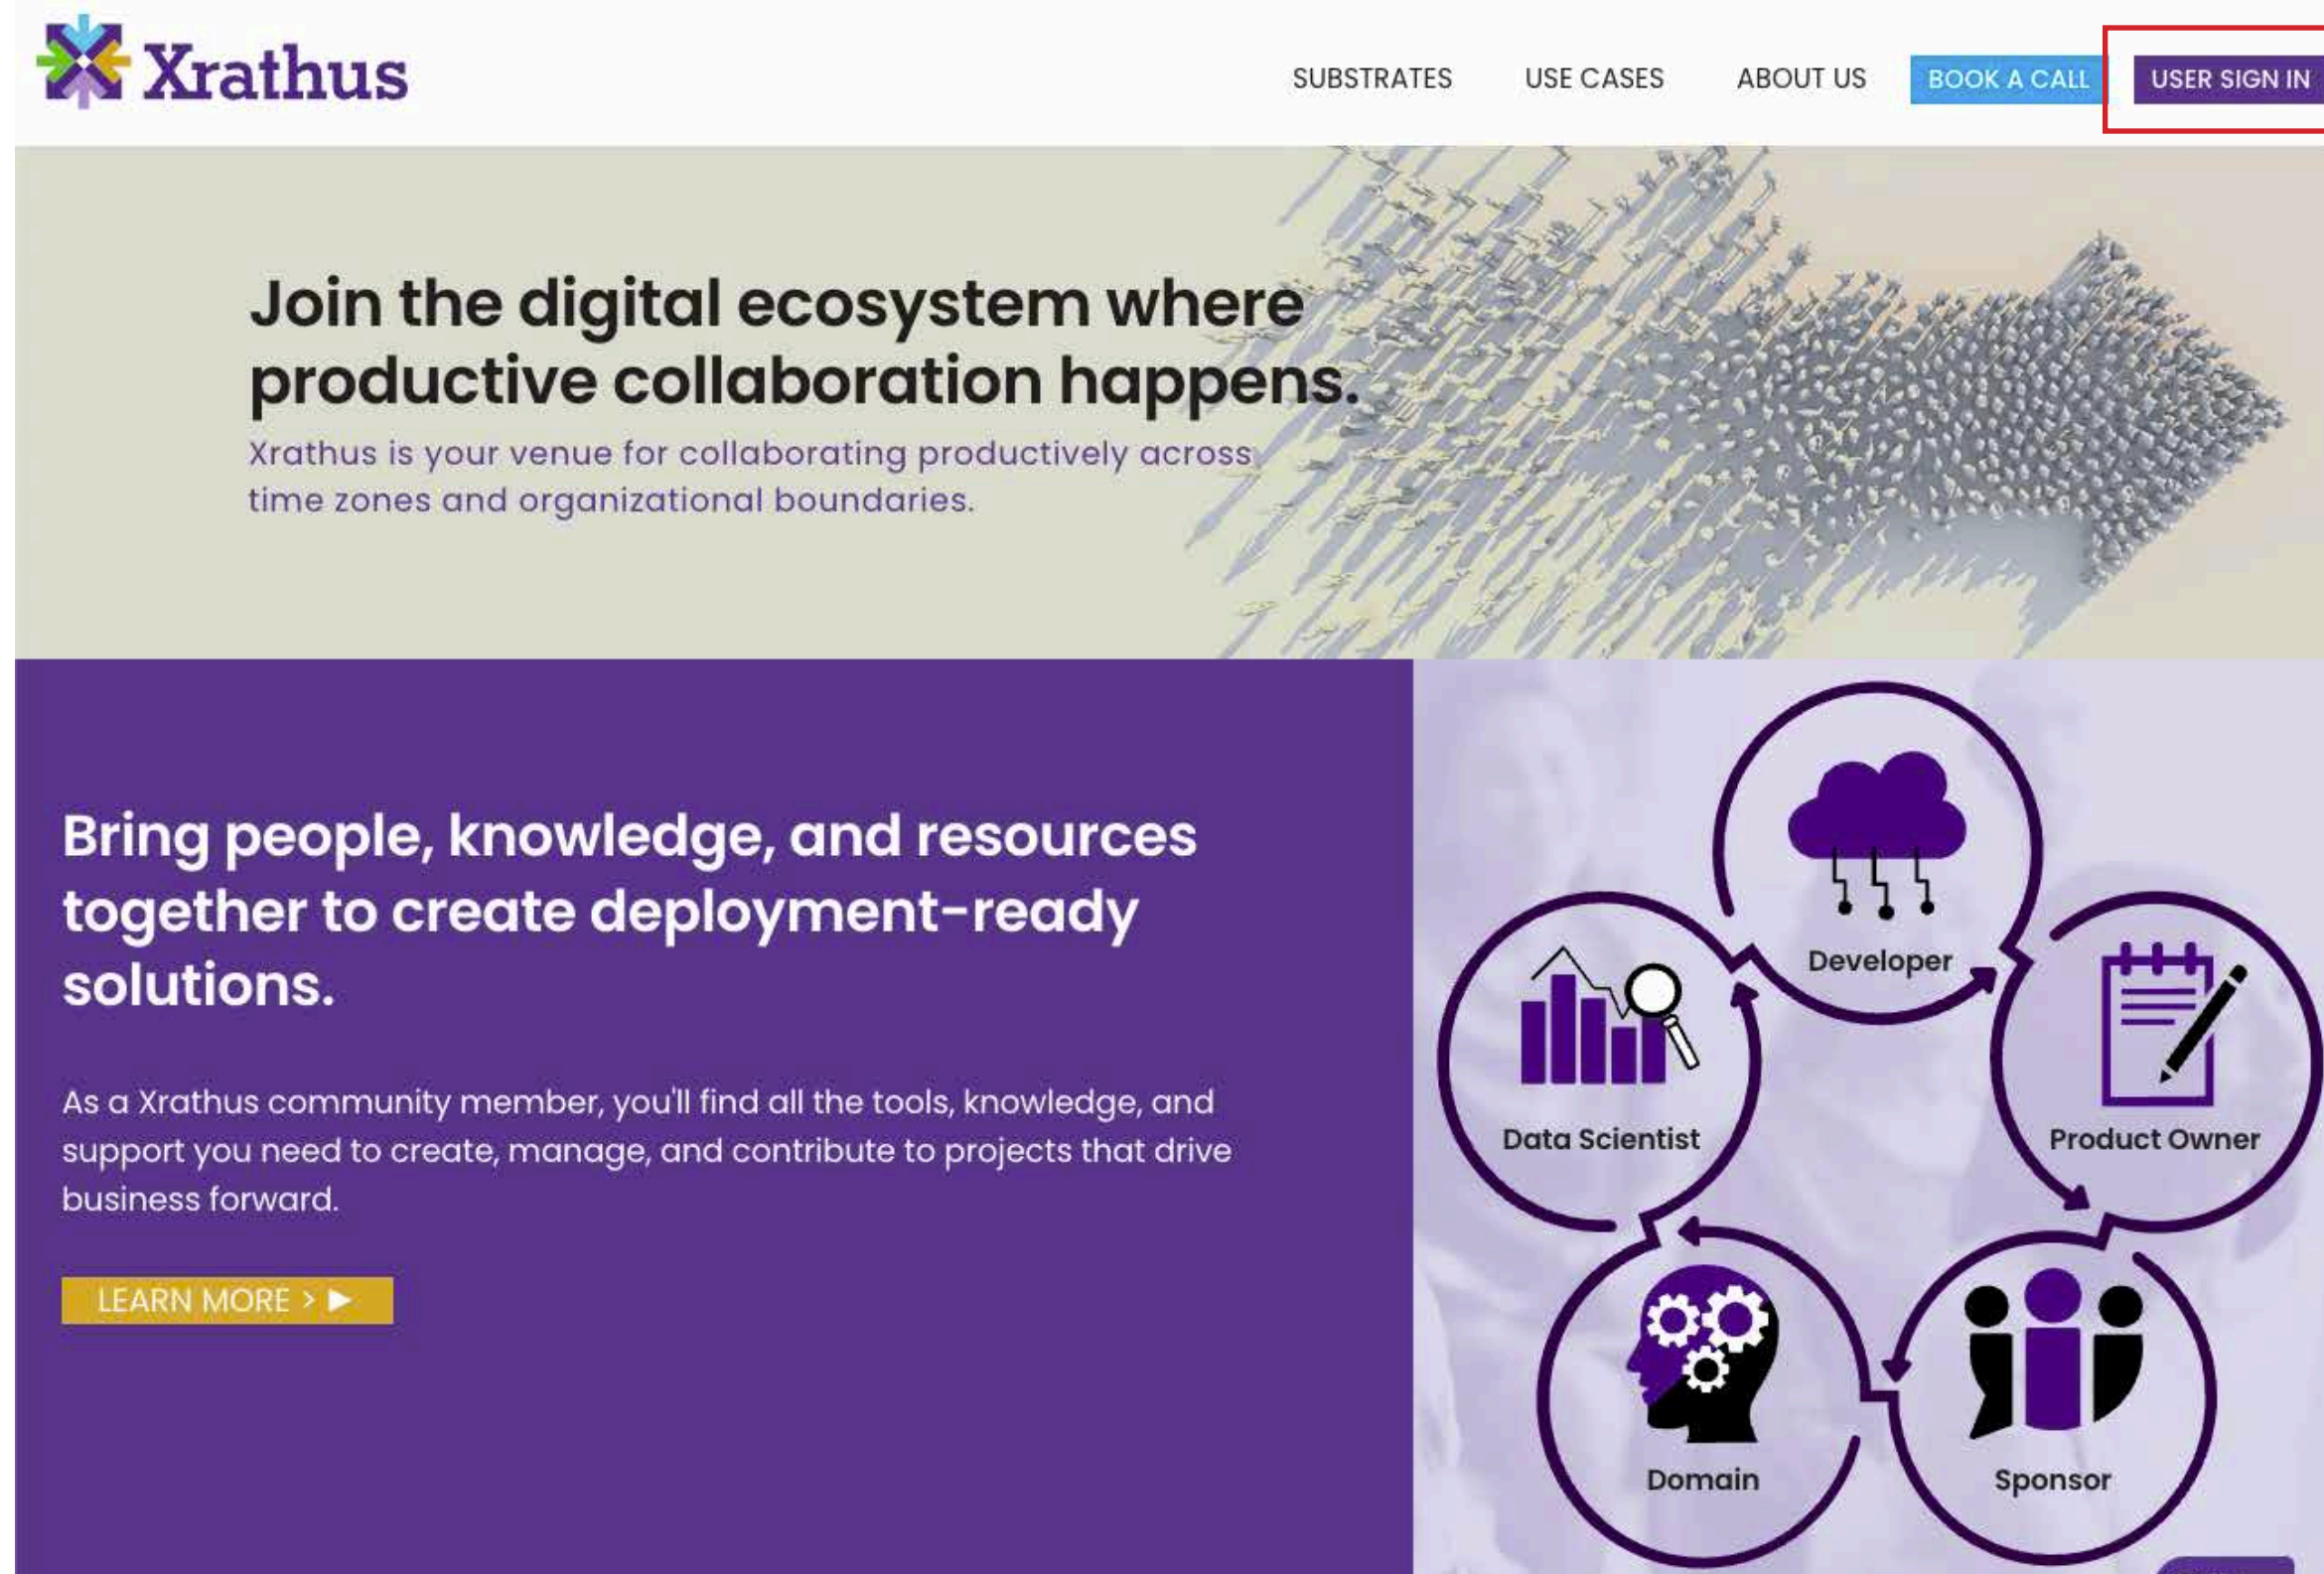

Fill out your information to create your account.

Upon receipt of your sign-in information, you will receive an verification email. Kindly review your Spam Folder, as the verification email may have been directed there.

Someone has created a Xrathus account with this email address. If this was you, click the link below to verify your email address
[Link to e-mail address verification](#)
This link will expire within 5 minutes.
If you didn't create this account, just ignore this message.
Reply | Forward

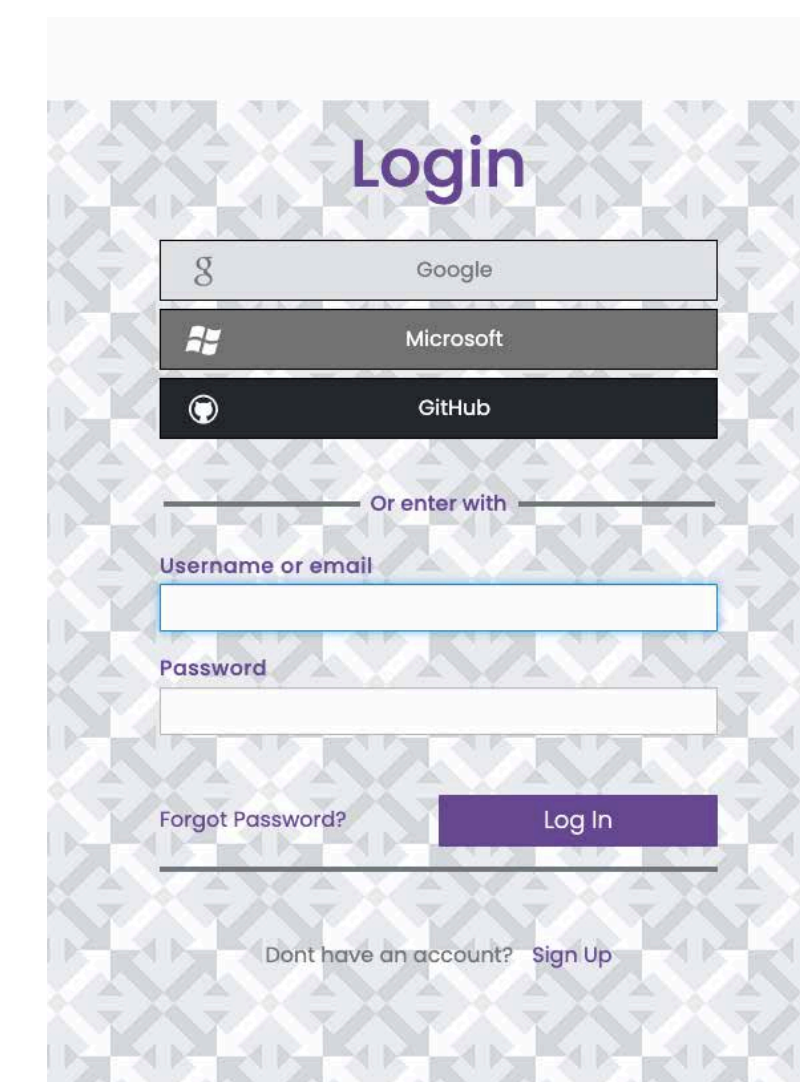

Once you verify your Email ID, your Xrathus account will be activated and ready to access.

Login

The image shows the top portion of the Xrathus website. At the top left is the Xrathus logo. To its right is a navigation menu with links for SUBSTRATES, USE CASES, ABOUT US, BOOK A CALL, and USER SIGN IN. The USER SIGN IN link is highlighted with a red box. Below the navigation is a large banner with the text: "Join the digital ecosystem where productive collaboration happens. Xrathus is your venue for collaborating productively across time zones and organizational boundaries." Below this banner is a purple section with the text: "Bring people, knowledge, and resources together to create deployment-ready solutions. As a Xrathus community member, you'll find all the tools, knowledge, and support you need to create, manage, and contribute to projects that drive business forward." A yellow button labeled "LEARN MORE >>" is positioned below this text. To the right of the text is a circular diagram with five nodes: Developer (cloud icon), Product Owner (clipboard icon), Sponsor (people icon), Domain (gears icon), and Data Scientist (bar chart icon).

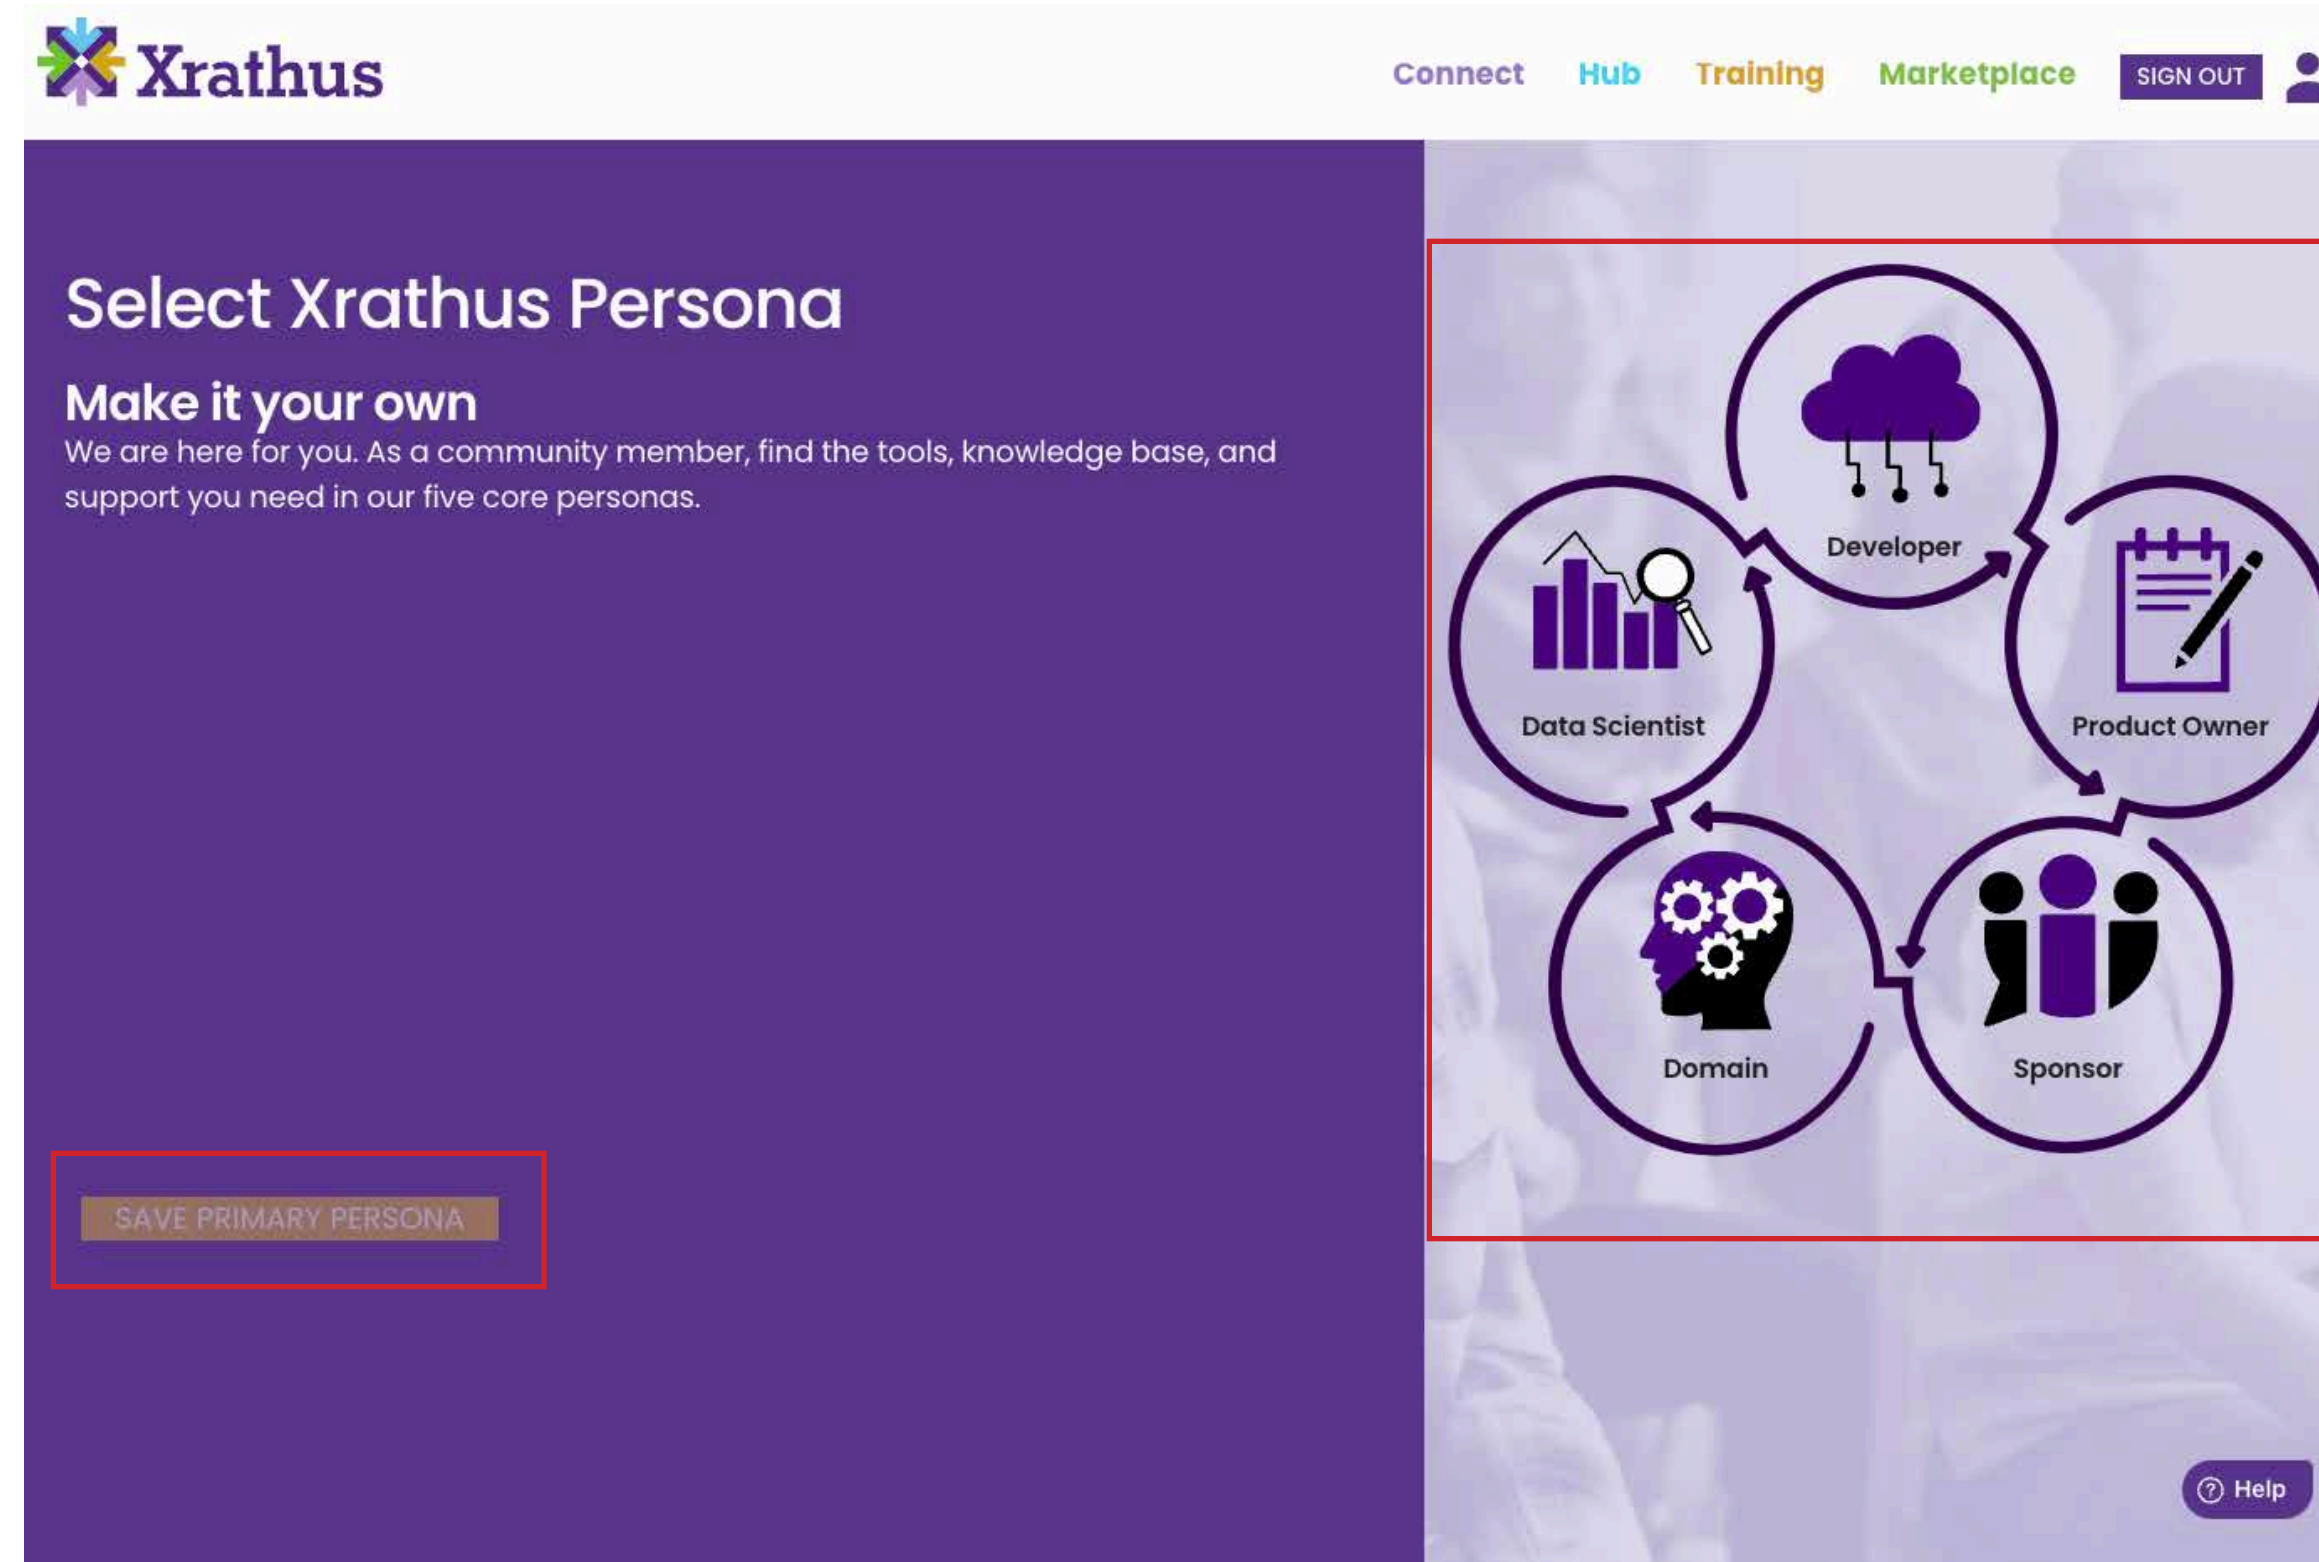

Select **Sign In** to log in to your Xrathus account.

The image shows the Xrathus login form. It features a "Login" heading at the top. Below the heading are three social login options: Google, Microsoft, and GitHub. A horizontal line separates these from the text "Or enter with". Below this are two input fields: "Username or email" and "Password". A "Forgot Password?" link is located to the left of a purple "Log In" button. At the bottom of the form, there is a link that says "Don't have an account? Sign Up".

Enter your username and password to access to your account.

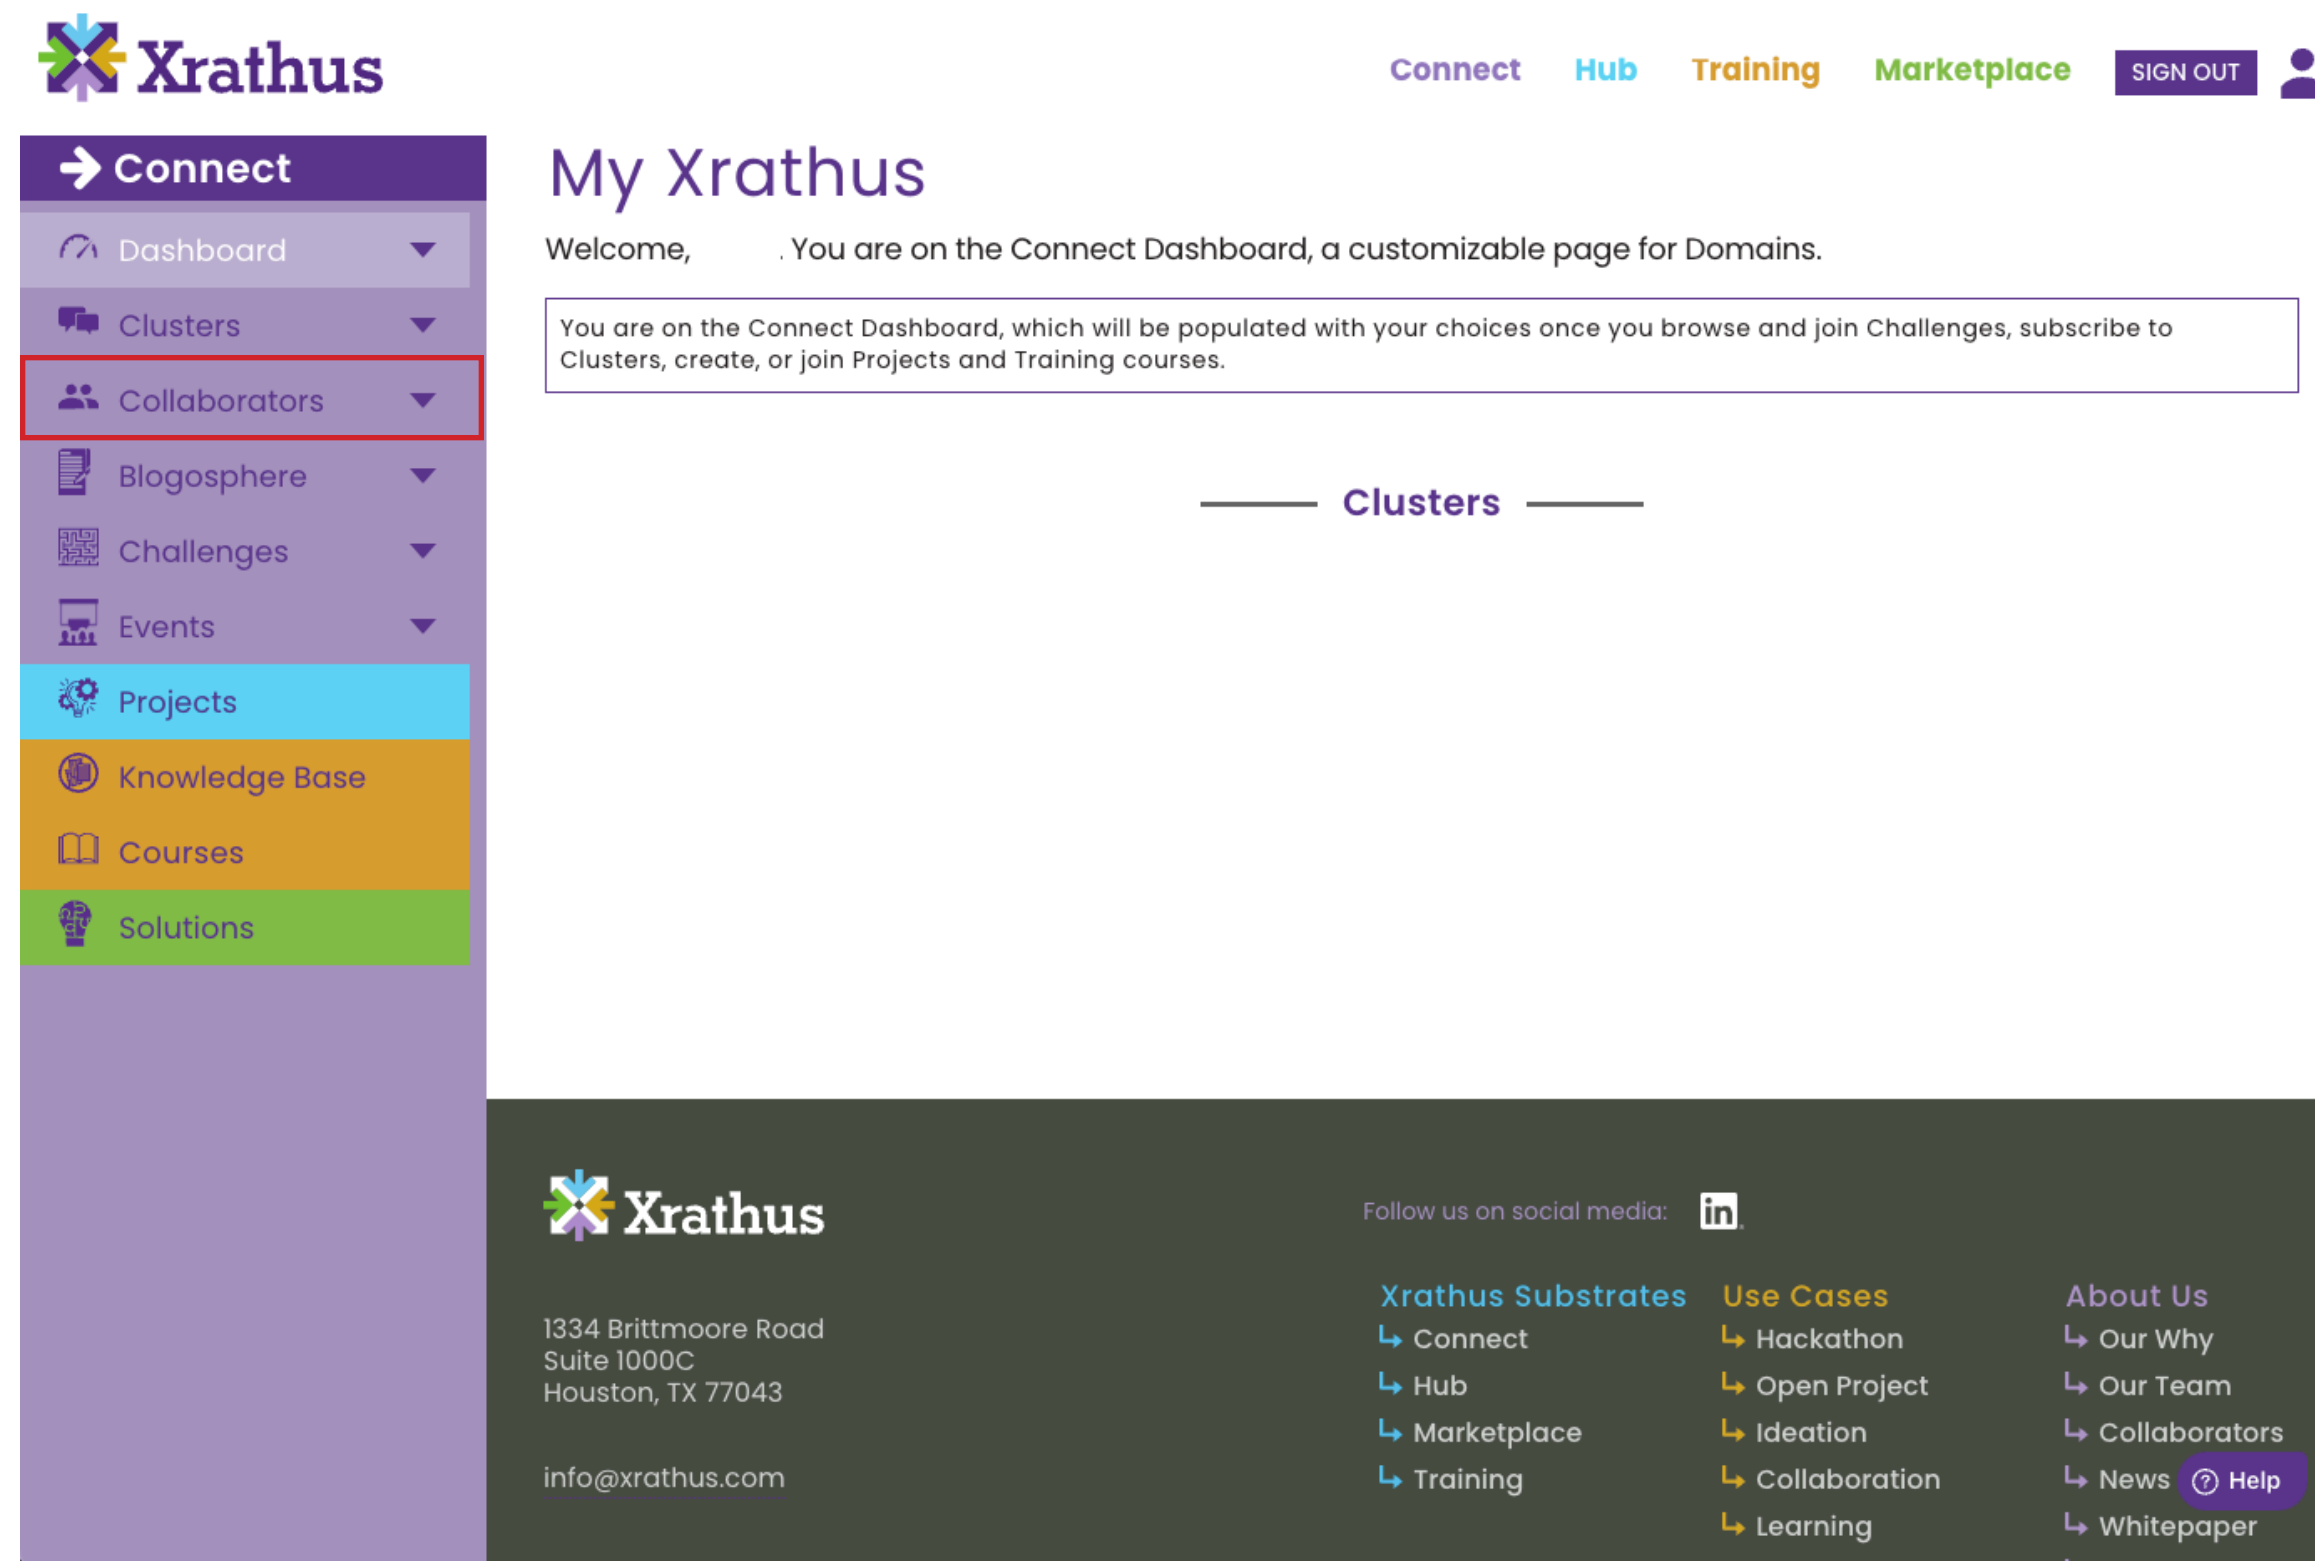

Select a persona

At initial login, a **Primary Persona** needs to be selected and saved.

To optimize your journey through Xrathus Communities, you will be presented with our five personas. Review each and select the one you most identify with as your primary persona. You will be able to select additional ones on your journey.

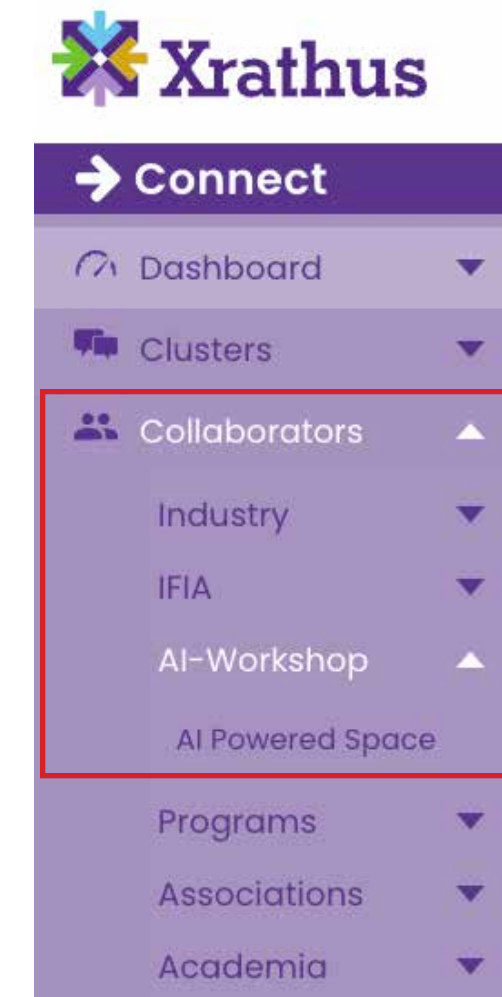

My Xrathus dashboard

Welcome to your Xrathus dashboard.

Here, you have access to all the Clusters and Tools provided by Xrathus.

From the vertical menubar, click on **Collaborators**, and from the drop-down menu select the AI-Workshop.

AI-Workshop Landing page

The screenshot shows the Xrathus website interface. On the left is a vertical navigation menu with categories like 'Connect', 'Collaborators', 'Programs', 'Associations', 'Academia', 'Blogosphere', 'Challenges', 'Events', 'Projects', 'Knowledge Base', 'Courses', and 'Solutions'. The 'Clusters' menu item is highlighted with a red box. The main content area has a purple header with the text 'The International Workshop on AI Powered Space'. Below this is an 'Overview' section with a paragraph of text and three buttons: 'Cluster', 'Learn More', and 'Register'. Underneath is a section titled 'Innovation Challenges for Space' containing six tiles, each with a NASA-themed image and an 'Access' button. The tiles are: 'Health in Space' (astronaut in a space station), 'Space Flight Operations' (astronauts in a control room), 'Security from Satellite based Observations' (satellite imagery of Earth), 'Scientific Experiments in Space' (a globe on a table), 'Image Analysis for Earth Observations' (a city at night with data overlays), and 'Propose Your Idea' (a person looking at a globe).

Clusters can be accessed via the Cluster button or the individual Cluster tiles below the workshop overview.

AI-Workshop Clusters

The screenshot shows the Xrathus website interface. At the top, there is a navigation bar with the Xrathus logo and links for Connect, Hub, Training, and Marketplace. A sidebar on the left contains navigation options like Community, Categories, Messages, and Personal chat. The main content area features a banner for 'The International Workshop on AI-Powered Space' with dates: Monday, November 13, 2023 3:00 PM to Tuesday, November 14, 2023 11:00 PM. Below the banner, there are filters for 'AI-Powered Space' and 'Latest'. A grid of six clusters is displayed, each with a title and a list of topics:

- Health in Space**
 - Space Medicine, AI in Space
 - Mental Health in Space, AI in Space
- Image Analysis for Earth Observations**
- Space Flight Operations**
 - Topic-1: discuss space operations
- Security from Satellite-based Observations**
- Scientific Experiments in Space**
- Propose your Idea**
 - SpaceSuits for AI in Houston

Below the clusters, there is a table with columns for Topic, Replies, Views, and Activity:

Topic	Replies	Views	Activity
★ Workshop on AI-Powered Space AI-Powered Space	0	14	21h
Interested in Innovating with AI in Space Teams?	0	14	14d

To engage in a discussion, choose the Cluster you wish to be a part of.

A Cluster discussion

Select a topic to enter the discussion.

The screenshot shows the Xrathus website interface. At the top, there is a navigation bar with the Xrathus logo and links for 'Connect', 'Hub', 'Training', and 'Marketplace'. Below the navigation bar is a banner with four colored arrows pointing right, labeled 'Health in Space'. The main content area features a sidebar on the left with navigation options like 'Community', 'Categories', 'Messages', and 'Personal chat'. The central part of the page displays a topic card for 'Health in Space' with a NASA image and a description: 'Explore the issues related to the health of astronauts over long-duration space flights and any role AI can have in solving the challenges and/or coming up with a cure/medicine.' Below the topic card is a table of related topics.

Topic	Replies	Views	Activity
Mental Health in Space, AI in SPACE 0 votes	0	9	14d
★ Health in Space Forum	0	10	9d
Space Medicine, AI in Space 0 votes	0	8	14d

There are no more Health in Space topics. Ready to [start a new conversation?](#)
